

A-2780

Rear air spring for
09 - 17 BMW 5 series (F07, F11)

Fits on vehicles with & without sport suspension

Expert technical support,
product installation manuals
and videos available online
at arnottmanuals.com

Made with OE Tier 1 air line
connector, crimping rings &
internal bump stop.

Long-lasting, premium-brand,
multi-ply air sleeve manufactured
by Continental ContiTech

Redesigned to eliminate the
dirt-catching top folding edge
& umbrella cover, increasing
durability and reducing the
possibility of leaks

High-impact composite top
and bottom piston

Designed, assembled & tested
in the USA and the Netherlands
